Adventure Summary

You arrived in Breachhill to help escort the civilians to safety while Venture-Captain Brackett and the Steel Falcons prepared to launch an attack on the Hellknights that had seized Citadel Altaerein. You searched throughout the town, getting the civilians to safety and specifically helping out Roxie Denn, the owner of the Pickled Ear, before being confronted by the Posandi siblings who had chosen to ally with the Hellknights. After fighting them, you escorted the civilians over Breach Creek, where Roxie revealed the secret tunnel under her tavern that connected to the citadel. Once under the citadel, you learned some information about Cheliah's plans and you were able to save the Bumblebrasher goblins!
