Adventure Summary

As a favor to Commander Militant Chun Hye-Seung, leader of Absalom's First Guard, you provided security for members of the Chelaxian embassy during a tense negotiation with the Grand Council of Absalom. During this mission, you were accosted by a strange group of devils that attempted to disguise themselves as Andoren dissidents in order to cause a loud commotion at the High Council, to the total lack of surprise of the Tevineg's new assistant, Lady Val Haltrax. Following this, you intercepted a messenger who insisted on delivering a really ugly portrait of Lord Gulv Tevineg to the council chambers. Once it was clear that Lady Xansippe and Lord Gulv were not on good terms, you volunteered to escort the Scion Lady back to the Temple of Asmodeus for her protection, getting into a chase and being confronted by actual Andoren dissidents once you arrived at your destination.
